5•8**Number Stories****Family Note**

Children have been telling and solving number stories. Have your child explain the number story that goes with the picture he or she chooses. If you like, help your child record the number story in words. The number model may show addition or subtraction, depending on how your child tells the story.

Please return this Home Link to school tomorrow.

Here is a number story Mandy made up.

I have 4 balloons.

Jamal brought 1 more.

We have 5 balloons together.
