Word Study: Unit 18
spelling – review of units 13-17

This week we will be reviewing Units 13-17. This means that students will only encounter words that they have studied before. Our words will follow a variety of patterns including diphthongs and vowel + /r/ patterns.

Students should study all of the assigned words below. They will be *tested on only 18* of them this Friday. Students will not know which 18 until test time, so I recommend reviewing them all.

1. voice
2. boil
3. heart
4. fourth
5. forest
6. were
7. serve
8. nurse
