

Ball

I have a bouncy basketball,
Here's a game for two:
Bounce the basketball to me,
I'll bounce it back to you !

Teacher: Read the rhyme. Children underline the word, ball, each time it appears, and then circle all the B and b. Next they trace over the letter, and then continue writing the letter on the line.

Parent Connection: "Read the house" with your child by hunting for words or objects in your home that begin with Bb or the sound /b/. Make a list of the items found.
