

Summer 2023

Dear Kindergarten Families,

Thank you for choosing Sacred Heart School.
I am very happy to meet my new class of Kindergarten Friends!

Each summer we spend a little time working on skills to prepare for school. Enjoy the summer weeks; have fun, play, rest, and help your child prepare for an exciting year here at SHS.

Cozy up and read each day with your child.
Explore the "Summer Adventures" IXL math and language arts practice.

Kindergarten summer requirements are bulleted below:

- ✍ *Over the summer I am asking all families to read to and with your child for approximately 80 minutes per week or 15 to 20 minutes per day.*
- ✍ *Choose from the **Reading Log** or **Summer Reading Bingo** to record summer reading.*
- ✍ *Print a copy for July and August and record your minutes!*
- ✍ *Spend a little time on penmanship -- neatly printing first and last name.*
- ✍ *Math and Language Arts skills practice with IXL*
- ✍ *Please note the IXL login information will be sent via email.*

Blessings to your little learners!

Required summer homework for incoming Kindergarten students

1. Read to and with your child. Find non-fiction text as well as fiction books for your daily reading.

Please print out the Summer Reading Bingo or Reading Log for summer months.

USE BINGO OR READING LOG to record your summer reading assignments

2. The Summer Adventures program is a combination of Math and Language Arts. Working on these skills will help prepare your child for the coming year in kindergarten.

IXL requires login information - keep an eye out for your email account.

Follow these steps:

1. Log on to IXL (remember to use our school license login).
2. Click on the "Skill Plans" tab
3. Click on the K grade under "your pinned skill plans".
4. Begin daily skill assignments.

Please complete the Summer Adventures and Summer Bingo or Reading Logs and bring in last week of August.

If questions arise during ixl login or if you have difficulties accessing IXL Summer Adventures feel free to send me an email. We ask please do not to change the login info as it will be used for other aps and sites.
